Overall good...

Good teaching

Needs improvement

every performance is good by mam.

Principal needs to calm down sometimes. She bursts out anger without even knowing several things

Very motivated mam

Improvement

Get connected to student

Principal mam is always support for students and giving the opportunity to students for standing ourself .. principal mam is always good for me

Must interact to student

Must interact with student

All is okay

Bad Attitude

Non - parent Friendly attitude

Mitesh sir is best

I hope she never dominates students AND their parents.

??????

provide proper solution to the student issue

should understand students problems and try to solve it peacefully

worst behaviour with parents.

thanks mam for making our future bright

There is no discipline. There is more waiting time to meet the principle.

you are best

i am happy with the being in this college.

i always enjoyed while giving lectures...

nothing to say about you....

According to me our principal is really very talented and kind personality and she can be more impressive in her performance if she pays attention in her communicating because of which many of students are hesitating

principle mam in was always hard work and we was very active and also cavery water

?

???

very bad attitude worst language against parent also student please change *

WELL EDUCATED

please be clam on the students and parents on meetings and any programmes

Please be clam om students and parents on meeting and on any programmes

We need a gym trainer

.

College Need more experience teacher

Bring New Courses So That More Students Can Take Admissions..For B.com section timing should be decreased.

Good principal ... Same time she talk rduely ...

She is Very friendly and understands each and every situation of every student she don't compare and she has a very strong ability leadership I am very motivated by my principal she also she is very inspiration to every staff and students ;)

Nil

thank you mam for your support in this college

No comments and suggestions

I am having only a single problem that the principal mam charges *fine* on late payment of any kind of fees that should be not done

EVEN WHEN WE ARE ON TIME AND THE OFFICE IS NOT OPEN THEN WHAT'S OUR FAULT IN THAT CASE AND THEN ON THE NEXT DAY THE STAFF CHARGES THE *LATE FEES*

Madam I request you to give the valid reason on what basis the administration is collecting the exam fees because there is no college who collects the exam fees as per my knowledge

No suggestions

we need a gym trainer

Understand student ,dont shout on student directly

Never

Thank you ma'am for giving such a good knowledge to me and other students.

Principal is best

Almost everything is too good

Yes

As per we want that much facility is not there....
