Annual College Progress Report (2018-19) by Principal

Thinking is the capital, enterprise is the way, and hard work is the solution.....

Dr. APJ Abdul Kalam

As our college vision is to make student and staff progressive thinkers, we are striving hard to inculcate moral values and holistic development of students

This year 2018-19 is marked with many events and success stories

Academic Execution

➤ **Faculty Meeting:**

In the beginning of the year Meeting were conducted by Principal Dr. Snehal Donde with all the teaching & non teaching staff where faculties' work load, committee allocation and necessary responsibilities of work allocated to respective committees in-charge.

➤ **CDC Meeting**

College Development Committee is formed under Maharashtra Universities Act, 2016 having representatives of stakeholders to ensure smooth functioning of college affairs and discuss strategic decisions to be implemented. This year CDC Meetings were conducted twice a year for taking major decision like ISO Certification, New courses permission of YCMOU & University of Mumbai. Also, decision regarding student support, Infrastructure Development, maintenance of college, faculty support & development etc. were discussed.

CDC Meeting

➤ **Meeting with Student Council**

In the month of July meeting with Student council conducted where roles and responsibilities assigned to each Teacher, CR and head of Student council in order to develop Mentor Mentee relationship. A ratio of 1:10 was formed where one head assigned the responsibilities of 10 students and that head will communicate with teachers in order to encourage self learning through peer group and self development. Class Teachers were assigned to each class for fixing the responsibility of maintaining class records and to ensure discipline among the students.

Meeting with Student Council

➤ **Meeting for Research participation**

Regular research advisory meeting is arranged with principal for training and sharing various research ideas among the faculty in their interested areas. Faculties are also encouraged to spend daily two hours for research and produce qualitative research paper and also work on Ph.D proposal for Ph.D enrolment. A separate register for the same maintained. In the month of July faculties were asked to work & submit Minor Research Proposal to University of Mumbai.

➤ **Parents Meeting**

Parents' meeting was conducted on 25th September, 2018 to make parents aware about the courses & progress made by the college in the form of infrastructure, Student's progress & new courses initiated. Courses like M.Com and MBA of YCMOU and IGNOU were started in the year and parents are encouraged for enrolment of their wards especially those are graduates during the year. Attendance of students and infrastructural development in the college during NAAC accreditation process and further conduct of Dhanak and UDAN festival and conferences and students role of leadership and dealing in conflicting situation in managing the events.

Meeting with parents

➤ **Alumni Meeting**

As Alumni plays vital role in college development, Alumni meeting were conducted twice during the year and documents for alumni registration were collected from alumni. Alumnis are also invited for every college programme and encouraged them to participate as well as support in college activities through guest lecture, financial assistance, etc.

Alumni Meet

➤ **Induction programme**

Orientation Programme was organised for the First-year undergraduate students. The programme was aimed at facilitating the smooth transition of students from junior college to under- graduate studies. The orientation was regarding an overall idea about the programs / courses offered, extra-curricular and co-curricular activities organised in the college. They were also informed about the remedial coaching & examination pattern including grading system.

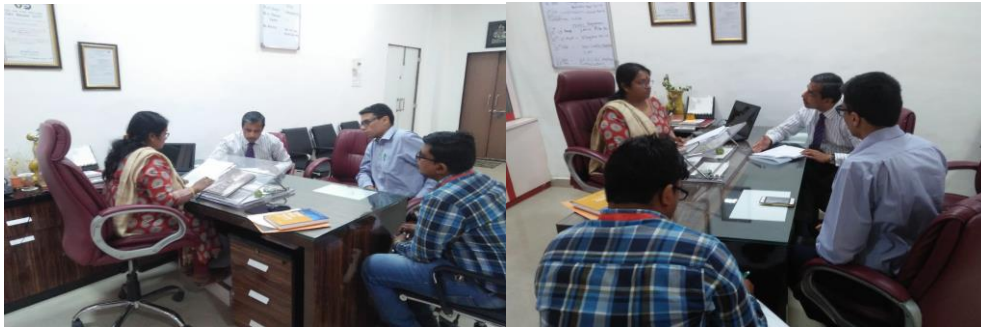

➤ **Follow-up meeting with staff**

Monthly staff meeting is regularly conducted for tracking the progress in each area of work allocated to faculties and for corrective measures. Regular reports from concerned faculties were collected and future plan of action is discussed.

Academic Course Flexibility:

- To provide opportunity to students along with regular subject's skill oriented courses were started by college during the current year like Banking & Accounting Sector courses with the batch of 28 students under Maharashtra State Skill Development Society (MSSDS)
- The college has also started B.P.P. (Bachelors Preparatory Programme) ,M.Com and M.B.A under Yashwantrao Chavan Maharashtra Open University (YCMOU)with the enrolment of 3 students in B.P.P. , 11 students in M.com, 2 students in MBA -First year and 1 student in MBA- Second Year. The college is examination centre for YCMOU examinations and conducted under graduate examination in Oct. /Nov. 2018.
- Certificate course in Direct Tax, Certificate course in computerized accounting and tally, Certificate course in Entrepreneurship skill was started for F.Y., S.Y. and T.Y.b.com students as special skill development courses.
- Personal Contact Programme (PCP) lectures are started for Institute of Distance and Open Learning (IDOL) M.Com study centre for University of Mumbai

- The proposal of starting courses under Indira Gandhi National Open University (IGNOU) is submitted, approval is awaiting.
- The Memorandum of Understanding (MoU) is under process for starting Courses under Pradhan Mantri Kaushal Kendra (PMKK)

MoU with PMKKY

- College has also proposed BMS, BAF, MCOM and M.Sc. Integrated under University of Mumbai. The Expert Committee appointed by University of Mumbai also visited the college and Inspection report is submitted. Approval is awaited.
- CA orientation three batches were conducted successfully

YCMOU Centre Inauguration

Promotion For MSSDS

Teaching Learning

Innovative practices in Teaching and Learning adopted by the faculties

- ❖ YouTube lectures were used as expert's session.
- ❖ Video clippings & case studies are more introduced in all subjects for clarity of concepts and opportunity for deliberation
- ❖ Regular library sessions were introduced to encourage students for reading and innovative ideas.
- ❖ Power Point Presentations by students on various topics from curriculum
- ❖ Innovative Inter- departmental quiz competition, Inter-disciplinary practical projects assignment.
- ❖ Business idea & proposal developed by students
- ❖ To promote research temperament Involvement of students in subject related Research Projects and Research Project Presentation

Industrial visit:

To provide students practical exposure to industries, one day Visit to BSE and RBI Monetary Museum were arranged on 26th February, 2019. Total 51 students and two faculties have visited and gained the experience of Bombay stock exchange functioning.

Visit to BSE & RBI Monetary Museum

Principal plays vital role in the college development and growth. The following points will illustrate the Principal's role in the college functioning.

1. **Revenue Generation:** Please see annexure 1

2. **Inclusive growth:** Inclusive growth of the college is achieved through implementation of participative growth strategies. Principal ensures that:

a. Scholarship benefits given to students (ANGC (11 students* Rs. 1000/-), University of Mumbai (3 students * Rs.5000)& Govt. of Maharashtra (12 students)Scholarship)

b. Teaching & Non-teaching staffs are encouraged to participate in conferences/workshop and seminars through granting leaves and reimbursement of expenses. (5 Teaching staff& 2 Non-teaching staff)

c. Students are trained and groomed by Principal by conducting regular meetings for planning & executing and sharing her expertise and team building activities (Dhanak, Inter collegiate sports tournament, etc)

d. Transparency is maintained in all college functioning through participative leadership and website publishing of all activities/reports, etc.

3. **Strategizing expansion:**College expansion was ensured through introduction of new courses like

Courses affiliated to **YashwantraoChawan Maharashtra Open University (YCMOU)**

Bachelors PreparatoryProgramme (BPP)

B.Com.

M.Com.

MBA

Course affiliated to **Maharashtra State Skill Development Society (MSSDS)**

Banking & Accounting

Proposals were submitted to IGNOU &UoM for further expansion in 2019-20.

4. **Principal's outdoor visit influencing:**

a. Self-sustaining model: The Principal ensured that college is run on self-sustaining model by conducting all activities through generating sponsorships and funds (Dhanak, Inter-collegiate sports tournament, introducing certificate courses) and creating networking for getting other resources (Bank of Baroda visit (Rs. 30,000/-) & BNCCMC visit (Above Rs. 5,00,000/- plus for NSS activities and display boards- funding college activities),

b. Networking: Principal's visit to different areas helps college to create good networking with outside world and creating funding opportunities and getting resource persons for guest lectures, for NAAC reporting, for getting any work done from any University Department, Government department (BNCCMC, Collector office & Mantralaya), etc. MoU' signed (EICI under Pradhan Mantri Kaushal Kendra, CA Orientation Programme, IGNOU) due to Principal's visit to different places (Delhi).

It also helped for overall branding and image building of college by Principal's participation in unique Programme (WWC- France Visit, Various Universities visit being convener of Ganga Mission in Kolkata, Selection in LEAP- India's Higher Education Flagship Programme by Ministry of HRD [Jamia Milia Islamia- Delhi, Virginia University-USA])

5. Overall improvement in college conduct:

Attendance: Due to strict attendance mechanism like circulation of monthly attendance record, defaulter list and parents meeting, attendance of the college students is improved over the period.

Exam Results: Due to students' regular attendance in lectures, timely completion of syllabus, remedial coaching and conducting preliminary examinations, students' examination results are improved.

Discipline: The discipline among students and staff is ensured through regular orientation on conducting meetings, checking uniforms and I cards regularly, taking disciplinary measures against undisciplined behaviour, etc.

Staff Development: Faculties engagement in corporate (College) work, improvement in teaching learning by use of different pedagogy (Videos, Audio Visual, news clippings, Group discussions, Debate etc), increase participation in workshops as well as organizing workshop.

Mentor-mentee relationship: Faculties and students are regularly counselled by Principal. For mentoring students 1:10 ratio is formed where one student takes care of Ten students.

Visit of eminent personalities: Many eminent and recognize persons visited the college. Their names are mentioned in the earlier annual report provided.

6. College image building: The Principal has taken a step forward to build image of the college through: ISO Certification (Oct. 2018) and publishing books in the name of college (3 books), attending programmes as Chief Guest, membership of World Water Council, etc.

7. Students edge over: students are getting cutting edge due to getting degree as well as skill-based certificate courses. Also, they are engaged in corporate & community services which helps in overall personality development and confidence as life skill for employment or entrepreneurship

Future plan:

1. To ensure timely salary Payment to staff by making provisions by revenue generation,
2. To work closely with community for resolving water issues which is local and global crisis presently,
3. To create industry academia linkage (With the help of business association of Managing Committee members),
4. To organize National and International conferences to encourage research work among faculties.

NB* For Principal's achievements and contributions please refer detailed report.

Cultivation of mind should be ultimate aim of human existence

Dr. Babasaheb Ambedkar
