Date: 10/10/2018

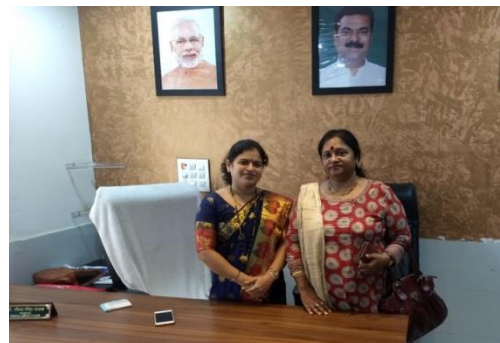

Venue: BDO office, Bhiwandi

A meeting was conducted with Mr. Ashok Sontakke, BDO and Principal Dr. (Mrs.) Snehal Donde in order to create awareness and to bring the change in water literacy programme. Issues about the need for educational awareness for water conservation and river safety were broadly discussed.

Along with BDO, 92 gram sevaks and other panchayat Samiti officials attended the presentation by principal ma'am. The main emphasis of presentation was water awareness and education for the gram sevaks. A video made by NSS students regarding the problems of Bhiwandi was played. Info-educational video of Bhujalgatha was shown for effective delivery of information

Principal Dr. (Mrs.) Snehal Donde also had a meeting with Mrs. Raveena Jadhav, Sabhapati, Gram Panchayat Samiti. In this meeting, there was discussion on pressing issues related to river contamination. Mrs. Raveena Jadhav shared some of less known problems with us, such as cattle stable waste water being directly into Kamwari River. Meeting ended on good note and Raveena ma'am ensured us their co-operation from her office in this work.

Next meeting was arranged with Mrs. Vandana Gawli, Health and Sanitation dept, BNCMC and Mr. Manohar Hire, Commissioner, BNCMC. In this meeting following points were discussed:

1. Follow-up for Notice boards on water bodies
2. Funding for Water testing
3. Arranging a meeting with all corporators in Bhiwandi
