Report

Activity : Ground clearing and Pit digging for Waste Management
Objective of the activity: To dig a pit for the purpose of waste management and to clear the surrounding areas & Channelize Canteen Waste .
Time : 11:40 a.m. to 12:40 p.m.

Agenda of the activity:

- To work together and dig a proper rectangular pit for the purpose of waste management.
- To clean the surrounding areas of the pit and plan for the further processes of waste management.
- To help each other while conducting the activity promoting unity and harmony.

Execution:

The NSS volunteers of Shree Halari Visa Oswal College of Commerce took the initiative for a proper waste management system. On 25th September, 2018, they conducted a 'Pit Digging' activity for the processes of vermicompost and manure-making. They started their work at 11:40 a.m. The volunteers were divided into two teams, one for clearing the ground and the other for digging the pit. The activity lasted for about one hour, after which, the volunteers proceeded towards the NSS common room for formulating future plans. The volunteers were really happy and had enjoyed conducting the activity.

Outcome:

- 1.) The volunteers successfully dug a pit of proper size for vermicomposting.
- 2.) Future plans were formulated for the waste management system and other related activities.
- 3.) The activity helped the volunteers to establish a strong bond with each other.
- 4.) The activity was conducted successfully.
